April 19, 2021

Dear 8th Grade Parents/Guardians,

Time sure does fly...we cannot believe it is almost time to say goodbye to our leadership class as they leave their Pirate family to become a VHHS Rebel! It has been a pleasure watching your student grow up over the past three years. The 2021 Leadership Class is such a great group of kids, and we will miss them so much next year. However, we do look forward to seeing the future accomplishments of the VHHS class of 2025. The Pizitz SGA would like to invite all 8th grade students to the 8th Grade Party on Friday, May 21, 2021. **Please keep in mind and stress to your student that this is not a date function.** We would like to encourage ALL 8th graders to get together one last time to celebrate as a class before they leave Pizitz.

The party will be held in the upper gym. It will start at 7:00 PM and end at 9:00 PM. ALL students should be picked up at this time. The cost for the party will be \$5. Tickets will be on sale in the Library Monday, May 10 through Wednesday, May 19, and students will only be allowed to purchase one ticket. **Students may not purchase a ticket for another student.** Tickets will not be sold at the door. Checks should be made out to Pizitz and should include a phone number on the check.

This event is open to 8th grade Pizitz students ONLY. The attire for the party is dressy but not formal. All attire should meet Pizitz dress code. For girls this includes a two-inch width for straps; no spaghetti straps or strapless dresses; no see-through material; no halter dresses or backless dresses. Dresses must meet dress code *even* under jackets and shawls. Dresses must be no more than three inches above the knee. Shoes must be worn at all times. For boys, coat and tie are not required, but students should dress nicely--no jeans or shorts. **Students WILL be required to wear masks at this event.**

Parents, please help assist with dress attire. Our faculty and administration do not want to call home to have students change clothes on a night that is meant to be a celebration. It is really embarrassing for the students and not enjoyable for the teachers on this special evening to call home. Thank you in advance for your diligence and compliance in this area!

The Pizitz SGA and 8th grade teachers are looking forward to an eventful evening in honor of this fabulous 8th grade class. It has been an honor working with your children this year, and we are forever grateful for the impact these students have had on our school and our hearts!

Sincerely,

Button Smith

SGA Advisor & Library Media Specialist
